## e-Filing Vault – Higher Security

Restricting the methods/options for Login and locking the reset password options will secure account from possible mis-use. This is for additional security or secured access.

### Pre-requisites

- User should be registered in the e-Filing portal.
- A valid DSC is already registered in the e-Filing application.
- A valid Aadhaar should be linked with PAN in e-Filing (In Case of Individual Users)
- A valid bank account number or demat account number must be linked with PAN in e-Filing (In Case of Individual Users)

## Steps involved in e-Filing Vault-Higher Security Process

**Step 1 – Login** to e-Filing portal using **user Credentials**.

**Step 2 –** Navigate to **Profile Settings** → **e-Filing Vault-Higher Security**. The following screen is displayed.

e-Filing Vault - Higher Security Help

---

**Login with Higher Security Options**

If you choose any option (s) below, then in addition to or instead of your userid and password, you will be required to use that option to login or provide the additional validation. This will provide additional security to your e-Filing account.

<input type="checkbox"/>	Login through Net-Banking
<input type="checkbox"/>	Login using DSC
<input type="checkbox"/>	Login using Aadhaar OTP
<input type="checkbox"/>	Login using Bank Account EVC
<input type="checkbox"/>	Login using Demat Account EVC

---

**Lock Reset Password Options**

If you choose any option (s) below, if you forget your password, then, you will be required to use that option to reset your password. The existing options of e-Filing OTP and Secret Question will be disabled. This will provide additional security to your e-Filing account.

<input checked="" type="checkbox"/>	You can always login through Net-Banking and reset your password (default)
<input type="checkbox"/>	Upload DSC
<input type="checkbox"/>	Using Bank Account EVC
<input type="checkbox"/>	Using Demat Account EVC
<input type="checkbox"/>	Using Aadhaar OTP

## e-Filing Vault – Higher Security

**Step 3** – User can select the required options to secure the account. On Success, user will be allowed to login and Reset Password only with the above selected option(s).

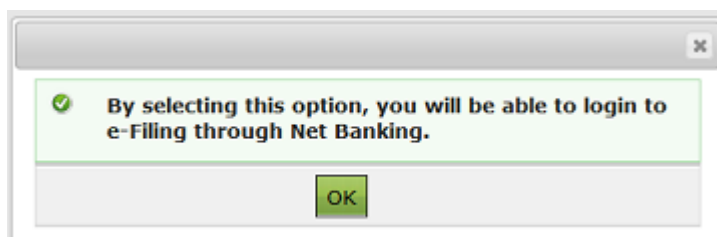

Fields	Pre-requisite to avail the options
Login through Net Banking	<ul style="list-style-type: none"><li>Users should have logged-in to e-Filing portal through Net-Banking atleast once to avail this option</li></ul>
Login Using DSC	<ul style="list-style-type: none"><li>Users need to register Digital Signature Certificate before opting for 'Login Using DSC'. To register DSC, Go to My Profile → Register Digital Signature Certificate.</li></ul>
Login Using Aadhaar OTP	<ul style="list-style-type: none"><li>Users need to Link Aadhaar to the PAN before opting for 'Login Using Aadhaar OTP'. To Link Aadhaar, Go to My Profile → Link Aadhaar.</li></ul>
Login Using Bank Account EVC	<ul style="list-style-type: none"><li>Users need to link Bank Account to the PAN before opting for 'Login Using Bank Account EVC '. To Link Bank Account, Go to My Profile → Pre validate Your Bank Account.</li></ul>
Login Using Demat Account EVC	<ul style="list-style-type: none"><li>Users need to link Demat Account to the PAN before opting for 'Login Using Demat Account EVC '. To Link Bank Account, Go to My Profile → Pre validate Your Demat Account.</li></ul>

### Login with Higher Security Options

#### Login through Net-Banking

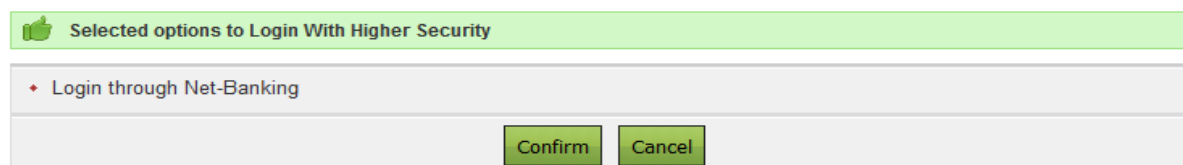

If the user chooses Login through Net-Banking, along with e-Filing User ID and Password, user will be required to login through Net Banking. This ensures additional security to user's e-Filing account.

- User needs to select the option "Login through Net-Banking". Once the user selects the checkbox, below confirmation appears. Click "OK" and click the "Proceed" button.

- User will be redirected to a confirmation page.

#### Confirm Selected Higher Security Options

## e-Filing Vault –Higher Security

---

- Click on “Confirm” button. Success message is displayed on the screen.

### Success

---

✔ Your Higher Security options and reset password options have been updated successfully and the Transaction ID is: 1234567890. In case of any queries, please contact 1800 4250 0025.

- Next time the user logs in, the user is redirected to “e-Filing Login Through Net-Banking” page where the user needs to select his / her bank and login to the bank.

### e-Filing Login Through NetBanking

---

Go to Profile Settings → e-Filing Vault - Higher Security and unselect the option "Using Aadhaar OTP" and click Proceed button.

## e-Filing Vault - Higher Security

[Help](#)

### Login with Higher Security Options

If you choose any option (s) below, then in addition to or instead of your userid and password, you will be required to use that option to login or provide the additional validation. This will provide additional security to your e-Filing account.

- Login through Net-Banking
- Login using DSC
- Login using Aadhaar OTP

### Lock Reset Password Options

If you choose any option (s) below, if you forget your password, then, you will be required to use that option to reset your password. The existing options of e-Filing OTP and Secret Question will be disabled. This will provide additional security to your e-Filing account.

- You can always login through Net-Banking and reset your password (default)
- Upload DSC
- Using Aadhaar OTP

Proceed

Cancel

➤ User will be redirected to a confirmation page.

## Disable Selected Higher Security Options
